

## East Lyme Aquatic & Fitness Center Reopening Procedure September 2020

We will continue to monitor state guidelines and update our practices as the current climate evolves. This version updated 8.29.20 2:00p

*UPDATES REGARDING CREDIT USAGE AND FITNESS CENTER INCLUDED.*

### **Pool Reopening Procedure August 31, 2020 (ELPS Students Back to School)**

In compliance with the current State of Connecticut guidelines for reopening Aquatic Facilities, the East Lyme Aquatic Center will reopen under these outlined operational protocols for public lap swim. *No other public swimming activities will be offered at this time.*

- Each patron will reserve a lane via online reservations system for a 45 minute workout period. Reservations are available through our website. Each lane reservation has a fee of \$10 per visit. Patrons will be limited to one reservation slot per day at this time. Reservations must be placed online and paid for electronically. Lane reservations will be available for sign-up weekly beginning on Sunday.
- Each lane will be single occupancy, alternating shallow and deep end starting points by lane. Patrons are asked to design workouts to start and stop only at their designated end of the pool.
- Times available for 45 minute reservations will be:
  - Monday - Friday MORNING 6:00am, 7:00am, 8:00am, ~~9:00am~~ **9:30**
  - Monday, Wednesday, Thursday EVENING 7:30pm
  - Tuesday EVENING 6:15pm, 7:15pm
  - Friday EVENING 5:15, 6:15, 7:15
  - Saturday 12:30pm, 1:30pm, 2:30pm
- Entrance into the pool will be staged at the front lobby doors during the 15 minutes preceding the hourly starting time. Patrons must wear a cloth face covering, maintain social distancing, and certify a self evaluation symptom check.
- Exit from the pool will be staged through the rear emergency exit doors for deep end assigned lanes and the through the side emergency exit door for shallow end lane assignments during 5 minutes following the 45 minute pool time. Cloth face coverings must be worn and social distancing must be observed.
- The locker rooms will be closed throughout this time. Patrons must arrive to the pool in their swimming attire recently showered and must leave the pool without changing. Each lane will have an assigned, distanced space available on bleachers to store their belongings while utilizing the pool. Social distancing must be observed in all spaces on the pool deck.
- All common surfaces will be sanitized during the 15 minute buffer between swimming sessions. Hand Sanitizer will be available at the entrance to the facility.
